

Bridges Burned (a Going Down in Flames novel)

Don't just fight the system burn it. Since discovering she is a shape-shifting dragon, Bryn McKenna has seen her world thrown into chaos. Being a crossbreed part Red dragon and part Bluemeans Bryn will never fit in. Not with dragon society. Not with the archaic and controlling Directorate. And definitely not when she has striped hair and a not-so-popular affection for rule-breaking. But sneaking around with her secret boyfriend, Zavien, gets a whole lot harder when hes betrothed to someone else. Someone who isnt a mixed breed and totally forbidden. And for an added complication, it turns out Bryns former archnemesis Jaxon Westgate isnt quite the evil ass she thought. Now shes caught between her desire to fit in and a need to set things on fire. Literally. Because if Bryn cant adapt to the status quo well, then maybe its time for her to change it.
