

Familiar Spirits (The Cotton Family Series Book 1)

At eighteen years old, Lucy Cotton left her childhood home and all of her nightmares behind her. Over a decade later, she has no other choice but return to be the executor of her grandmothers will. Little does she know her entire logical world is about to be turned upside down. Her estranged mother reveals a centuries-old family secret that shakes Lucys sense of reality. Not to mention, the terrifying nightmares that once haunted Lucy as a child seemed to be just waiting in the shadows for her to return. Now Lucy must try to settle the restless spirits in her ancestors Colonial home and sell the estate before she loses her sanity and possibly her life. If you enjoy gothic fantasies or supernatural thrillers, you will find yourself pleasantly lost in the dark world of the Cotton Family. A world full of witches, restless spirits, folk magic and shapeshifters.
