

The Way of the Warrior (Merlin & Martha) (Volume 2)

Martha Zachary has accepted her calling from God and the enemy knows she is on the job. How can she protect herself from the demons she must fight? In this second book of the Merlin and Martha series, we travel to Japan and meet Sensei, expert in the Way of the Warrior. As Sensei helps her discover her inner strength, they learn a local gang leader is attracting kids to a life of crime on the streets, frightening them into obedience and then programming them to follow his evil will. Can she embrace the martial arts and learn how to fight fast enough to help stop this demonic evil before its too late? In The Way of the Warrior Martha must pull from the depth of her soul and stand with Sensei and Merlin as they face a demon of mythical proportions!
