

Wed in Wyoming (Mills & Boon Cherish) (Special Edition)

What was it about the Clay women and alpha males? Growing up in a family of alpha male ranchers had taught EMT Angeline Clay all about arrogant men like Brody Paine. She'd even mastered the art of rejecting the sexy agents none-too-subtle overtures. But this time, Angeline was out of her league because two children's lives depended on her masquerading as Brody's wife! All too soon the high stakes, close quarters and Brody's unexpected acts of kindness towards their charges wore down her defences. And it wasn't long after a tender kiss turned into something less innocent that Angeline began dreaming about a big Wyoming wedding with Brody by her side
