

## Little Mys Book of Thoughts. Tove Jansson and Sami Malila

I see, so this is what it looks like, said Little My. Whatever next?! She immediately made a snowball and threw it with some accuracy at the squirrel. Little Mys Book of Thoughts collects together the most perceptive insights from the Moomins shortest neighbour. She knows how to ask difficult questions and give confident answers, but Little My has an undeniable talent for encouraging others to be independent and brave. Little Mys Book of Thoughts includes quotes and drawings from Tove Janssons beloved Moomins stories.
