

## Cable #5

Written by Ariel Olivetti, Duane Swierczynski. The war that started in Messiah Complex continues here! Hang on to your Bjorn-straps, people: Here it is, the cant-miss conclusion to War Baby! Both Cable and Bishop have crossed lines they thought theyd never cross. Theres no going back now. And in the disaster-ravaged streets of a near-future Manhattan, it all comes down to which X-Man wants to accomplish his objective more. The gloves are off-the guns are loaded-and nobodys going to walk out of this one unscathed- including the baby! Rated T+
