

Camel Club (Spanish Edition)

El Camel Club de Washington D.C. es el lugar de encuentro de cuatro hombres excéntricos. Allí analizan los acontecimientos más destacados de la política y economía de su país, discuten sobre las actuaciones de su gobierno, y especulan sobre posibles conspiraciones. Un día, una de estas especulaciones se convierte en una amenaza real, en un acontecimiento que podría cambiar el curso de la historia. / Conspiracy theories--everybody has one. The difference with this conspiracy is that its all too real. David Baldacci's The Camel Club takes readers inside the Beltway as four unlikely misfits struggle not only to survive, but to save their president and their country from a plot that will lead to nuclear disaster.
