

Can I Really Sing with a Cold? 40 MORE of Your Most Pressing Questions about Singing, Answered! (40 Questions Book 2)

Yes, you really can sing with a cold, and in this follow-up booklet to glass shattering vocal coach Jaime Venderas 40 Questions series, the honorary MythBuster answers even MORE questions that hes received since releasing Can I Really Sing Higher? Jaime has sifted through countless emails and messageboard posts covering a span of nearly ten years to pick the next top 40 questions just for you, the singer. As usual, his answers are based on simple, yet super effective vocal techniques for more vocal range, stamina, power, and improved vocal health to set your voice free and make you a successful singer. In book 2 of the 40 Questions series, Jaime Vendera gives you much more in-depth advice than even unveiled in Can I Sing Higher?, information that would cost you hundreds of dollars in vocal lessons...but for only a fraction of that price! Youll receive answers to questions such as: How can I sing with a cold? Should I tune down when performing live? How do I find the right vocal coach? What is the pharyngeal voice? How do I stay motivated and/or find the time to practice? How can I reverse vocal nodules? How can I set up a practice space that minimizes my sound? and many more... If youre ready to become the best singer possible, Scroll Up Now to Buy Can I Sing with a Cold? to discover the answers to unlocking your true vocal potential!
