

Cat in an Alphabet Endgame: A Midnight Louie Mystery (The Midnight Louie Mysteries Book 28)

Long awaited! The 28th and last book in the Midnight Louie feline PI alphabet-titled mystery series from USA TODAY and Amazon bestselling author Carole Nelson Douglas. New York Times Notable Book of the Year author Carole Nelson Douglass cast of four human crime solvers must not only stop a massive Las Vegas conspiracy involving international terrorism and the FBI, but feline sleuth Midnight Louies roommate, PR powerhouse Temple Barr, is contemplating marriage. Will syndicated radio counselor and ex-priest Matt Devines inside track lose out to the return of that wily dark horse, magician Max Kinsella? The suspense is killing somebody. Meanwhile, a Strip-wide resurgence the long-vanquished Las Vegas mob could have Temple in search of an undertaker rather than a Justice of the Peace. Luckily, Midnight Louie and the Las Vegas Cat Pack are planning their finest moments to bring down the baddies. But no one can help Temple find which direction her wayward heart must go. JANET EVANOVICH calls Midnight Louie the funniest, hairiest, hard-boiled detective on the planet. The Prime Suspect finds the series everything you might want in a mystery: glitzy Las Vegas, real characters, suspense, a tough puzzle, and...on top of it all, a fine sense of humor and some illuminating social commentary. Las Vegass feline detective extraordinary returns... Louie is an irresistible combination of Nathan Detroit and Sam Spade. Plenty of interest here for a lengthy, fun-filled series. Mostly Murder If its murder, it must be Midnight Louie time! Carole Nelson Douglass cool dude feline detective pulls off some fancy footwork when he matches wits with a murderer...Written with stylish zest and irresistible panache, this clever tale operates on a multiplicity of levels.
