

# Henry VIII

The Famous History of the Life of King Henry the Eighth is a history play by William Shakespeare, based on the life of Henry VIII of England. An alternative title, All is True, is recorded in contemporary documents, the title Henry VIII not appearing until the plays publication in the First Folio of 1623. Stylistic evidence indicates that the play was written by Shakespeare in collaboration with, or revised by, his successor, John Fletcher. It is also somewhat characteristic of the late romances in its structure.
