

## The Fallen: An Enemy Novel (The Enemy Book 5)

The Enemy is among us . . . First the sickness rotted the adults minds. Then their bodies. Now they stalk the streets of London, hunting human flesh. The Holloway crew are survivors. Theyve fought their way across the city and made it to the Natural History Museum alive--just barely. But their fight will never end while the Enemy lives, unless theres another way. . . . The kids at the museum are looking for a cure. All they need are medical supplies. To get them they must venture down unfamiliar streets, where it isnt only crazed, hungry sickos who lurk in the shadows. In this fifth terrifying entry in Charlie Higsons Enemy series, suddenly its not so clear who--or what--the enemy is.
