

Family Law Case Library: Finance: Second Edition

The second edition of Family Law Case Library: Finance provides a quick method of sourcing the key extracts from the seminal UK authorities, all collated in a single volume and presented thematically with cross-references to the full UK case report in the Family Law Reports (taking account of all cases reported up to the end of 2010). Contents include: maintenance pending suit * interim orders * periodical payments * lump sums * property orders * pensions * financial relief after overseas divorce * financial provision for children (CA 1989, Sch 1) * inheritance * trusts * evidence and procedure * injunctions * enforcement * costs and appeals.
