

## Chivalrous Captain, Rebel Mistress

Amid the chaos of Waterloo, Captain Allan Landon stumbles upon a young boy. When long golden hair tumbles down, Allan is faced with the most beautiful woman he has ever seen. She reminds him of what he is fighting for and he silently vows to protect Miss Marian Pallant above all else. Back in London, the battle may be won, but Allan and Marian are now on opposing sides of a different war. As Marian's enemy, Allan has three options: to fight her, to bed her or to unconventionally wed her!
