

Close Enough to Kill

He's their secret admirer, wooing them with phone calls, love letters and special gifts. From a distance, he admires them. Desires them. Despises them. And when he gets close enough, he kills them all. Adams County, Alabama is the kind of town where everyone knows each other's business, the kind of place where doors stay unlocked. Until a psychopath comes calling. Dubbed The Secret Admirer, he woos his victims with phone calls, love letters and gifts, before stalking, kidnapping and then brutally murdering them. A terrifying game is underway. Sheriff Bernie Granger in her first big case is desperate to stop a twisted serial killer before another woman is slaughtered. But is she getting closer to catching him or being drawn even deeper into his deadly web?
