

Possession (Club X Book 3)

The third book in the sexy contemporary romance series by New York Times and USA Today bestseller K.M. Scott! Get all four Club X books and read the complete series today! Kane Jackson, the ruler of the fantasy section of Club X, has always been different from his brothers. The bastard son of Cassian March III, he grew up without the money and privilege Cassian and Stefan enjoyed from the March name, instead only knowing his father as the man who abandoned him and seeing himself as unloved and unwanted. He let love in once and like everything else in his life, all that came from it was pain. His heart hidden behind the walls he's built since then, Kane is now just the dark figure who rules over the fantasies of others but has none himself. Abbi Linde can't seem to get a break. Too many bad men and bad choices have left her bruised and broken, but the opportunity to dance at Club X could change everything. For the first time, she might be able to make a life for herself and find the happiness she longs for. After what feels like a lifetime of heartbreak, Abbi still believes one day her dreams will come true and she'll find the love that's eluded her. Even the darkest heart craves the light, but will the darkness be too much for love to overcome with these two souls? AND DON'T MISS THE NEW K.M. SCOTT RELEASE, THE SEXY SILK SERIAL!
