

CMDT Study Guide and Flashcards Val Pak

Add the authority of CURRENT Medical Diagnosis & Treatment to your exam review with this dollar-saving combination package! TWO GREAT RESOURCES! CURRENT Medical Diagnosis & Treatment Study Guide Derived from CURRENT Medical Diagnosis & Treatment, the worlds most popular annual medical book, this unique study guide delivers case analysis of 80 of the most common topics in internal medicine. It provides a comprehensive and well organized synopsis of each topic, making it an essential study partner for a variety of examinations, including the USMLE Step 2, medicine clerkship shelf exams, ABIM internal medicine boards and recertification exams, adult and family nurse practitioner certification examination, and physician assistant national certifying exam. For practitioners, this book represents a complete source of patient care for 80 of the clinical problems they are most likely to encounter in daily practice. Each of the 80 topics covered in CURRENT Medical Diagnosis & Treatment Study Guide is presented in a consistent, easy-to-read, and in-depth manner that emphasizes a standard approach to clinical problem solving. The topics were carefully selected based on their importance to the field of internal medicine and are designed to enhance your ability to think through a typical case in a logical, step-by-step fashion. There is no easier or faster way to sharpen your understanding of key concepts in clinical reasoning and problem solving, and to brush up on essential clinical facts than this one-of-a-kind case-based review. CURRENT Medical Diagnosis & Treatment Flashcards These 240 two-sided, case-based cards are a fun, fast, and efficient way to prepare for any type of internal medicine examination. All topics begin with a presentation of a typical patient encounter and are designed to help you sharpen your clinical problem-solving

skills. For more than 70 years, professors, students, and clinicians have trusted LANGE for high-quality, current, concise medical information in a convenient, affordable, portable format. Whether for coursework, clerkships, USMLE prep, specialty board review, or patient care, there's a LANGE book that guarantees success.
