

## Commenting and Commentaries

The student or pastor with a small but growing library, as well as the pastor possessing an extensive one, will welcome the opportunity to secure this reprint of Spurgeons catalog of Biblical commentaries and expositions. Once you begin to dip into this volume it will become a faithful friend by your side. Worth its weight in gold! New commentaries on the Bible abound, but often the cutting edge is dull. With few exceptions, the old works are better by far. Spurgeons Commenting and Commentaries is invaluable for identifying the best works of past generations, many of which have been reprinted in our day. - Dr. Robert P. Martin
