

## All About Nickels (All About Coins Book 2)

Once called the half-dime, Nickels were first minted in 1866 and became the workhorse of American coins. What is the history of the nickel from the Indian Head (or Buffalo) nickel to the Jefferson nickel? In this beautiful educational coin book, kids learn the real value of nickels, their history, and where they are made. Learn how to count, add, and save your money! Collect all four All About Coins books featuring stunning pictures of pennies, nickels, dimes and quarters.
