Meet the Beast -- before there was BeautyOrasmyn is the prince of Persia and heir to the throne. His religion fills his heart and his mind, and he strives for the knowledge and leadership his father demonstrates. But on the day of the Feast of Sacrifices, Orasmyn makes a foolish choice that results in a fairys wretched punishment: he is turned into a beast, a curse to be undone only by the love of a woman. This is the story of his search, not only for a woman courageous enough to love him, but also for his own redemption.
