

Crossed Fates

Isadora engages in a romance in adolescence that leave marks in your life. Separate when both went to college. The flame of love never gone out, but followed their lives with other relationships. Isadora marries Philip and changes to the city of Rio de Janeiro. A sense of abyss opened in your heart for thinking that she was married and was not at all easy your life. The love was fading and she felt an immense void. Philip, husband of Isadora, is a man without scruples, betrays her in every way, but she did not suspect. Isadora paints screens and receives a proposal to exhibit in Paris and the transformation happens in your life, fate fold it a surprise, and where she least expected, there was Robert. There is something happen! It is the fullness of life, the abundance of feeling, that only if you allow reborn and believe. Their fates crossed again because everything comes to us when we believe it is true. Blue Butterfly was a lucky charm because she did Isadora target cross with Robert again where there was no hope. Everything comes to us when it comes to true love. Isadora features of character: Isadora is a beautiful woman, has a lush sensitivity, long curly black hair and green eyes, tall, elegant. A woman with a strong personality, and warrior in search of the love of his life. And she only finds meaning in his life when he meets his love of the past. Meaning of the title: The fate fold in pieces. Does not announce his arrival only takes us by surprise. Everything comes and goes, comes back and for some reason because when the target crosses do not fight, you better grab it and let him touch her heart because at the end you find out that the truth is that rules our destiny. The destination is the choice that knocks on your door at any time of your life. On wings of destiny Isadora find new horizons in their professional life that leads again to tread a new path in life.
