

## Big Booty: A Novel

Overflowing with juicy gossip, passion, over-the-top antics, and more drama than a Jerry Springer marathon, Big Booty keeps readers on the edge of their seats wondering what happens next. Born in the projects and bred in the streets, Cassandra has been on her own since age fourteen. She learned how to make a way out of no way from boosting clothes to credit card scams to sex, doing whatever she had to do to survive. Unfortunately for her, seducing men out of their money (and their minds) came easy. And it didn't take much for a young Cassandra to have guys of all ages eating out of the palm of her hand. A blessing and a curse, the alluring sway of her hips commands attention wanted and unwanted. But escaping the ghetto has never been a desire for her. And she has no qualms about sleeping with anyone who is willing to satisfy her libido and help her in her quest to get to the next level of ghetto-fabulousness no matter the costs.
