

Llewellyns 2012 Witches Calendar (Annuals - Witches Calendar)

Llewellyns Witches Calendar has it all: magical spells, correspondences, invocations, historical information, and folklore. For fifteen years, this treasury of Craft wisdom has provided both new and experienced Witches with everything they need to tune into the earth's cycles and work their magic: the Moon's sign and phase; planetary motion, including retrogrades; daily color correspondences; solar and lunar eclipses; even lunar gardening tips. Featuring Jennifer Hewitson's beautiful original scratchboard art, this trusted calendar offers more Witchy content than any other calendar on the market—a seasonal essay for each month and a special bonus section with eight in-depth articles, written by your favorite authors and fresh voices in the Wiccan/Pagan community.
