

The Cat Who Moved a Mountain

Qwillers on top of the world when he rents a house on Big Potato Mountain. The owner, J.J. Hawkinfield, brought real estate development to the once-peaceful Potatoes. But Hawkinfield paid a steep price for his enterprise: He was pushed off a cliff by an angry mountain dweller. Qwilleran, however, suspects the man is innocent--and Kokos antics have him convinced something's wrong. He may be making a mountain out of a molehill...but he's determined to find the truth. Even if it means jumping out of the frying pan and into the fire!
