

## Pushing the Limits (A Pushing the Limits Novel)

They say be a good girl, get good grades, be popular. They know nothing about me. I can't remember the night that changed my life. The night I went from popular to loner freak. And my family are determined to keep it that way. They said therapy was supposed to help. They didn't expect Noah. Noah is the dangerous boy my parents warned me about. But the only one who'll listen. The only one who'll help me find the truth. I know every kiss, every promise, every touch is forbidden. But what if finding your destiny means breaking all the rules? A brave and powerful novel about loss, change and growing up, but most of all love. The Pushing the Limits Series 1. Pushing the Limits 2. Dare You To 3. Crash Into You 4. Take Me On 5.
