

DAS FEHLENDE GLIED IN DER KETTE: The Mysterious Affair at Styles (German Edition)

The intense interest aroused in the public by what was known at the time as The Styles Case has now somewhat subsided. Nevertheless, in view of the world-wide notoriety which attended it, I have been asked, both by my friend Poirot and the family themselves, to write an account of the whole story. This, we trust, will effectually silence the sensational rumours which still persist. I will therefore briefly set down the circumstances which led to my being connected with the affair.
