

## Death Comes for the Fat Man (Dalziel and Pascoe Mysteries)

There was no sign of life. But not for a second did Pascoe admit the possibility of death. Dalziel was indestructible. Dalziel is, and was, and forever shall be, world without end, amen. Chief constables might come and chief constables might go, but Fat Andy went on forever. Caught in the full blast of a huge explosion, Detective Superintendent Andy Dalziel lies on a hospital bed, with only a life support system and his indomitable will between him and the Great Beyond. His colleague, Detective Chief Inspector Peter Pascoe, is determined to bring those responsible to justice. Pascoe suspects a group called The Templars, and the deeper he digs, the more certain he is that The Templars are getting help from within the police force. The plot is complex, the pace fast, the jokes furious, and the climax astounding. And above it all, like a huge dirigible threatening to break from its moorings, hovers the disembodied spirit of Andy Dalziel.
