

Delaney Joy: Fairy Exterminator (Fairylicious #2)

Strange things have been happening in childrens bedrooms at night-unexplained bites and scratches, toys and clothes have been destroyed, hair being tied into tangles and knots, and homework shredded. These terrible things are no doubt the work of evil fairies. The worst part is these fairies have the ability to give children nightmares. Fortunately for these kids, Delaney Joy McPherson had concocted a special formula that gets rid of these fairies and has opened up a Fairy Extermination business. Can one girl stop all these fairies with the help of her friends or will evil fairies take over the night? Only time will tell. Ages 9 and up
