

Demons Kiss (Compact Sorcerers)

The Compact of Sorcerers, a brotherhood sworn to guard the wall between the human world and the demon realm, have relied only on one another for centuries. But now there's a traitor in their midst...Struggling medical student Clea Masters knows she's unique. Ever since her parents' death, she's been kept safe by an inexplicable force inside her that knocks back any threat. But when a demon attacks her, Clea is launched into a dangerous world she never knew existed. Her only ally is a lethal, seductive man who arouses a hunger stronger than anything she has ever imagined...Compact of Sorcerers member Ciarran Darbois will not let harm befall Clea. In her, he sees a strength he admires and a body he longs to caress. Yet demons are determined to break down the portal Ciarran has sworn to protect, using Clea as their key. Now as a rogue sorcerer leads the enemy ever closer, Ciarran and Clea have only one hope. Both must surrender to their darkest passions--and unleash their most dangerous, untested desires. DEMONS KISS--Which is more deadly, his passion or his power?
