

How to make a Crisis out of a Drama!: The production diary of theatre producer and writer Nick Hennegan

Why buy this book? Its by an unknown writer who has little profile, little money and modest success in the U.K.s Second City, Birmingham, England. Good point. But its the story of getting a show on. Nicks plays have attracted rave reviews and if you have ever had a dream to find instant fame on a reality show, or youve been working at your regular job and hated it. Or if you have kids. Or if you were a kid, then this will probably appeal to you. The reality of showbizz, warts an all. Its just an everyday tale of creative folk with a bit too much beer and not enough focus. You wont get rich reading this, but you might feel some comfort knowing you are not alone in your poverty...!
