

Zombie Kid Diaries: Grossery Games

Not willing to let being a Zombie spoil his dreams of pro-gamer stardom, Bill Stokes is all fired up to win against a visiting champ. But hes got a trio of troubles threatening to ruin his chances: The class has a Thanksgiving trip to Camp Woodchuck that same weekend. Hes got to take care of Froufou, the yappy (but yummy-smelling) poodle from next door. And his personal bully, Steve, has a whole new way to humiliate him: a one man, live recorded game show called Gross-eries! When Steve gets to run his little game during the whole class trip, Bill gets to be his unwilling star, and its just about all his Zombified nerves can stand! Enjoy the second in the series by Fred Perry. Fans of zombies will be dying to read this book.
