

Training Course (D.I.Y. Make It Happen)

Training Course guides students as they conceive and set up their own training course for their friends and community. The considerate text includes easy-to-follow lists and will hold the readers interest, allowing for successful mastery and comprehension. Written with a high interest level to appeal to a more mature audience, these books maintain a lower level of complexity with clear visuals to help struggling readers along. A table of contents, glossary with simplified pronunciations, and index all enhance achievement and comprehension.
