

A Bravo Homecoming (Mills & Boon Silhouette)

Travis Bravo was sick of his meddling mother and her matchmaking ways. So what better way to stop her than to bring a fiancée home for the holidays? One catch he wasn't even dating anyone. But that was where his rough-and-tumble oil-rig friend, Samantha Jaworski, came in. An unpolished tomboy, Sam was game for anything for a good friend. But after her girlfriend-ready makeover, she fell easily into the role of Travis's loving partner and into his arms. Would she be standing under his mistletoe for keeps?
