

Ellery Mountain Volume 3

The Barman and the SEALA Navy SEAL with PTSD and a Barman starting a new life. Maybe they can find love in Ellery. Travis Baranski, Navy SEAL, is the first veteran to attend the Ellery Mountain Veteran Center. He is having a hard time coming to terms with what he had seen and what he has done. When he has a very public meltdown in Ellery stores it is Avery Gideon who steps up to the plate and helps him. Avery Gideon, a man cut off from his family for being gay, runs the only bar in town - The Alibi - and listens to many a person's problems whilst trying to forget his own. He sees something in the wounded warrior who needs a friend and very soon finds himself falling in love with Travis. Nothing will deter him from helping Travis, or from making Travis see he's still capable of loving Avery in return. The Agent and the Model Michael comes home to Ellery to face his past, only his present keeps intruding in the form of his agent Alex Casey, who won't take no for an answer. Michael Hardin is back in Ellery to face his past. The victim of a hate crime, he has memories that lie just out of his reach and nightmares that won't leave him alone. Alex Casey loves Michael but he completely ruined everything by treating Michael like someone who needed to be wrapped in cotton wool. Can Michael discover more about his past and find love with Alex?
