

Theology of the Body for Teens (Student Workbook)

Every day your students are thinking about their sexuality as they are searching for meaning in their lives. Young people today need a program that helps them understand the significance of their sexuality and the purpose of their lives. Theology of the Body for Teens: Discovering Gods Plan For Love & Life is the program you ve been waiting for! Pope John Paul II s revolutionary Theology of the Body is changing lives around the world through its positive portrayal of our sexuality as a good and essential part of love and life. Theology of the Body for Teens brings this exciting teaching into a practical format of 12 lessons that teenagers will enjoy and understand. This program takes the two hottest topics on the planet God and sex and marries them through Pope John Paul II s compelling vision for love and life.
