

Dracula Audiobook (Illustrated Classics) (Saddlebacks Illustrated Classics)

These literary masterpieces are made easy and interesting. This series features classic tales retold with color illustrations to introduce literature to struggling readers. Each audiobook retains key phrases and quotations from the original classics. Dracula opens the door to the unknown. Do all superstitions have a basis in reality, or are they just folklore? Bram Stoker's Dracula is one of the most feared and most loved tales in literature. From Transylvania to London, the reader explores the dark side of mystery and intrigue riding on the coattails of Dracula's cape, changing from wolf to bat, and living on in the nighttime. Do vampires really exist? Read Dracula and decide for yourself.
