

Dream On (Stories of Serendipity Book 2)

Welcome to Serendipity, Texas, a town where real people deal with real problems. Meet characters in their thirties and forties struggling with day-to-day issues and managing to find love in the process. Visit Serendipity, where the days are hot, and the nights are steamy! Alyssa has a hard time keeping up with her responsibilities, and she has a lot: her elderly mother, both kids, her high school students, and of course, herself. When she starts dreaming of a handsome bad boy living a kinky lifestyle, she wonders what in the world her subconscious is telling her. She barely has time for her own life, much less one involving a guy with those kinds of appetites. Dalton has been living life on the edge for too long. When he begins dreaming of a woman from his hometown, Serendipity, he initially thinks it's something inside him, letting him know it's time to settle down. When his dad gets sick, and Dalton has to move back home to take care of the family ranch, he realizes his dream girl is a reality. Sparks fly in this sizzling novel that explores love and lust in a small town setting, complete with ex-husbands, high school football, and nosy school boards. Warning: Some content not suitable for under 18 years of age
