

Drinking and Dating: P.S. Social Media Is Ruining Romance

On the heels of her New York Times bestselling book *Drinking and Tweeting*, *Real Housewives of Beverly Hills* star Brandi Glanville takes readers on a wild ride through her dating life in this highly-entertaining relationship book. *Drinking and Dating* chronicles Glanville's misadventures stumbling through today's dating world. From social media blunders to bedroom escapades, Brandi withholds nothing. Each chapter is inspired by a relationship encounter she has had since her sensational divorce from actor Eddie Cibrian. Hilarious, surprising, vulnerable, and outspoken, Glanville's unexpected take on dating after heartbreak and life in general - is as unique as she is. Just like Brandi herself, *Drinking and Dating* is sexy, funny, and eyebrow-raising.
