

Kerewin (Dutch Edition)

Een literair kunststuk (). Wonderlijk, geestig en verbazingwekkend veelzijdig is deze roman. Trouw Kerewin Holmes heeft zich teruggetrokken in een zelfgebouwde toren aan de kust van Nieuw-Zeeland. Haar isolement wordt doorbroken door een merkwaardig jongetje dat niet kan spreken en dat wordt opgevoed door zijn pleegvader, een Maori-fabrieksarbeider. Kerewin is een verhaal vol liefde, tederheid en geweld, waarin twee culturen op aangrijpende wijze met elkaar worden verweven.
