

Eidolon (Wraith Kings Book 2)

****Sequel to RADIANCE and Book #2 in the Wraith Kings series**** In a bid for more power, the Shadow Queen of Haradis unleashes a malignant force into the world. Her son Brishen, younger prince of the Kai royal house, suddenly finds himself ruler of a kingdom blighted by a diseased darkness. His human wife Ildiko must decide if she will give up the man she loves in order to save his throne. Three kingdoms on the verge of war must unite to save each other, and a one-eyed, reluctant king will raise an army of the dead to challenge an army of the damned. A tale of alliance and sacrifice.
