

Ellery Mountain, Volume 2

The Doctor and the Bad BoyNo one has ever understood Mitchell Askett. The bad boy. The alcoholic. The loser. Buying into the Ellery Mountain resort and placing down roots in the community for himself, his sister and his niece puts him on the radar of the Fridays and Dr. Liam Wolfe.He realises he has friends in his new home that dont judge him for what happened before and finally begins to escape his past. When he falls hard and fast for the Doctor he even sees a future for him in Ellery.When his new happiness is threatened by family and by disaster he begins to lose faith, until Liam shows him its okay to ask for help.The Paramedic and the WriterParamedic Jamie Llewelyn moves to Ellery to start a new life away from the City. Attached to the hospital and working for his friend Liam Wolfe hes happy--even if he has to keep coming up with excuses to miss the Friday meet ups. He had peace and he could finally make a difference in a community that needed him.When he and Max rescue John Doe from a crashed car balanced on the edge of a ravine Jamie didnt know but his life would never be the same again. John opens his startlingly violet eyes and suddenly Jamie is falling hard. If only John didnt have a gun and could remember why hed shot the passenger in the car. Then maybe passion could change into something else. Love.
