

Elric: The Sleeping Sorceress

Gollancz is very proud to present the authors definitive editions of the saga of Elric, the last emperor of Melnibone. Michael Moorcock and his long-time friend and bibliographer John Davey have collaborated to produce the most consistent and coherent narrative from the disparate novels, novellas, short stories and non-fiction about Elric. From his early life in Melnibone all the way through to his final days, these seven volumes will be the definitive telling of the albino princes story. Elric is one of the great creations of modern fantasy, and has inspired legions of imitators. If you know his story already, then this definitive edition will finally let you read the entire saga in the authors preferred order. If youve never experienced the chronicles of the albino with the soul-sucking sword, then this is the perfect place to start. Containing stories, novellas, supplementary material and commentary, these editions of ELRIC are the finest yet.
