

Engelbert - Whats In A Name?: My Autobiography

The man known simply as Enge by his millions of fans worldwide has sold over 150 million records and is in the Guinness Book of Records for achieving 56 consecutive weeks in the chart with Release Me. From living on the dole and receiving last rites with tuberculosis, to buying a Hollywood palace with a heart-shaped pool and a fleet of fourteen Rolls Royces, Engelbert wears his King of Romance crown so well that horticulturists even named a rose after him. And the love god has certainly lived up to his reputation, indulging in a string of affairs and one-night stands, whilst remaining happily married to his first love Patricia. Forty years on from his early hits Enge is still at the very top, selling out concerts across the world, representing the UK at the 2012 Eurovision Song Contest, and topping the charts in all the major markets. Inspired by the warmth of his millions of affectionate fans and the endless support of his wife, Engelbert shares his incredible life story with openness, humour and astonishing honesty.
