

Entering the Castle: An Inner Path to God and Your Soul (Thorndike Inspirational)

Internationally renowned motivational teacher, spiritual instructor, and popular theologian Caroline Myss presents her most important transformational work yet with *Entering the Castle*. It is a comprehensive inner guide to caring for your soul and finding a deep, true mysticism and a connection with the Divine - without having to give up the everyday world. Taking inspiration from the revered writings of Teresa of Avila, Myss adapts Teresas vision of the soul as a beautiful crystal castle with many facets and rooms, each of which represents a stage of spiritual development and of coming to know God. The book presents an entirely new, seamless synthesis of ancient Eastern and Western insights, reinterpreted for today. Readers will learn how to build an interior castle sustained by prayer and the practices of silence, healing, channelling grace and forming circles of soul companions.
