

Amok (Litterature & Documents t. 6996) (French Edition)

Edition enrichie (Preface, notes, dossier sur Stefan Zweig) La passion en ce quelle a dirresistible et de semblable a la folie : cest le theme central de ces trois recits publies en 1922 par le grand ecrivain autrichien, auteur du Joueur dechecs et de La Confusion des sentiments. L amok, en Malaisie, est celui qui, pris de frenesie sanguinaire, court devant lui, detruisant hommes et choses, sans quon puisse rien faire pour le sauver. Le narrateur rencontre sur un paquebot un malheureux en proie a cette forme mysterieuse de demence. Histoire encore dune folie, dune passion dun amour fou, cette fois que la Lettre dune inconnue recue par un romancier a succes. Mais la passion peut faire de lhomme dominateur et meprisant un etre humilie et ridiculise : cest le theme du troisieme de ces recits, La Ruelle au clair de lune.
