

## Incidental Contact 2: EX-Factor (Volume 2)

NBA Superstar CJ Wright is still lying on the floor, unconscious, with blood gushing from his body. As he edges ever so closely to death, he continues to recall everything that brought him to this fateful day. In this segment, CJ enters his senior year at the University of North Carolina at Chapel Hill, where he deals with the issues of his lover. He engages in new life experiences that come back to haunt him. As CJ moves to the NBA, he is thrust into the life of the rich and famous. While things look good on the outside, he still battles the internal demons of his past. As CJ finally starts to become ok with his new reality, a situation disrupts everything, abruptly changing the course of his life. Join CJ in the second entry of this trilogy, as he comes into adulthood, and encounters more twists and turns that help to bring him to the unforgettable day of January 11, 2011.
