

AWAKEN: The Change Agent Trilogy, Book 1 (The Change Agents)

Global Terrorist Attacks. Earthquakes. Tsunamis. School Massacres. Tornadoes. Forest Fires. Hailstorms. Mudslides. Blizzards and Avalanches. Mass Suicides. Plane Crashes and Ship Wrecks. Horrific hours filled with unprecedented destruction. Death, decay, and hopelessness inundate the world. Evil grows stronger as darkness descends. Yet what if in the midst of this chaos and tragedy you found out you were immortal and had the power to change the world? What if such monumental catastrophes marked the beginning and not the end? Join four teens as they uncover the truth of their identity and discover their destiny to bring hope and restoration. Can they succeed in their mission or will they fall prey to the wicked forces that oppose them? (Ages 12 and up)
