

Still Obsessed (The Obsessed Series)

The end is here.... Life couldnt have been more idealistic for Ivy Marlow. She owned the business of her dreams and worked alongside the man she loved, and her future was bright and filled with unending promise. Looks can be deceiving, though, and as much as she loved her life, she knew that she and Jax Walker were destined for a collision course if something didnt change. Destiny stepped in, and one fateful night on a dark street, everyones life transformed in a profound way. Ivy is tossed back into the past she thought was behind her, and Jax is determined to reclaim what was rightfully his. What neither of them could have predicted is that life doesnt let you plan your own course. Sometimes you have to let fate take you by the hand so you can find your true destiny. Is Ivys future with Jax, or will the ghosts of her past destroy them forever?
