

F-14 Tomcat Units of Operation Enduring Freedom (Combat Aircraft)

The legendary F-14 Tomcat was the weapon of choice to strike against the enemies of the United States in the wake of the September 11 attacks, with F-14s flying thousands of bombing missions on al-Qaeda and Taliban positions. Written by aviation expert Tony Holmes, this book explores the F-14 pilots and aircraft involved in Operation Enduring Freedom, with insights into the tactical approach and strategic aims provided by officers. Exclusive access to mission reports, combat diaries, full-colour artwork and photographs from the authors collection reveal the battle experiences of the most famous modern fast jet.
