

Felicia (Fabulous Book 1)

Her lip trembled, her emotions flooding out, and Felicia pulled back the sob that tried to escape. You're going to make me love you, she said. That time she felt him smile. She couldn't see his face, of course, but knew it was there, knew she'd fallen into the place he wanted her to be. ---- The rich daughter of a millionaire businessman, on the outside, it looks like Felicia Torrence has everything. Yet, behind the mansion walls, her fragile world is built on a stack of lies, growing larger every day. Her escape is a job at the local children's arcade. Here, she can forget her troubles for a while and watch kids be happy. No one around her needs to be any the wiser. Until, a simple ride home with fellow employee, Levi Galvis, exposes him to the truth. They have nothing in common. He's smart, hard-working, and decidedly middle class. He's also stubborn, a trait that initially makes her angry, but soon proves to be her only way out. Book 1 in the Fabulous Series, a sweet, clean teenage romance, by best-selling author, SUZANNE D. WILLIAMS.
