

Feedback (Variant Book 2)

Perfect for fans of James Dashners The Maze Runner, Feedback is the heart-stopping sequel to Variant which Pittacus Lore, author of I Am Number Four, praised as an intense journey with some of the most shocking twists and turns Ive ever read. Benson Fisher escaped from Maxfield Academys deadly rules and brutal gangs. He thought that the worst was over. But now Benson is trapped in a different kind of prison town filled with familiar faces. Classmates from Maxfield who Benson had seen die. Friends he was afraid he had killed. They are all pawns in the schools twisted experiment, held captive and controlled by an unseen force. And while Benson struggles to figure out who, if anyone, can be trusted, he discovers that Maxfield Academys plans are darker than anything he imagined and they may be impossible to stop.
